ANNUAL REPORT 2019

I. GENERAL INTRODUCTION

Generous People Association (GPA) is a non-profit organization founded in 2019 by **Rev. Enock Ruhumuriza**. The association was established with a clear motive: to spread the Gospel to the youth and extend support to the most vulnerable individuals, especially refugees in the Nakivale Refugee Camp. Inspired by love, kindness, and the teachings of Christ, GPA is committed to transforming lives spiritually, socially, and economically.

Mission Statement:

To transform lives through love and kindness, teaching orphans, street kids, widows, and vulnerable people to embody Christ-like values and find freedom from poverty in Jesus' name.

Vision:

- To bring glad tidings to the poor.
- To proclaim liberty to captives.
- To transform lives spiritually and financially.
- To return repentance and remission of sins to believers and non-believers.

II. ACTIVITIES AND ACHIEVEMENTS IN 2019

1. Youth Evangelism Program

In its founding year, GPA introduced an innovative approach to evangelize and transform the youth. The program was conducted in two main ways:

- **Sports Evangelism:**

GPA organized regular sports events to attract youth participation. After the games, Gospel messages were shared, sparking impactful conversations about salvation and faith in Christ.

- **Church-Based Evangelism:**

GPA partnered with local churches to conduct youth-focused evangelism sessions. These gatherings provided spiritual guidance and opportunities for young people to embrace Christ as their Savior.

Following their salvation, GPA implemented follow-up programs to disciple and mentor the newly saved youth, ensuring they were nurtured in their spiritual growth.

2. Support for Vulnerable Communities in Nakivale Refugee Camp

GPA launched its mission to help refugees by organizing outreach programs to support orphans, widows, and other vulnerable individuals in Nakivale. This included providing basic needs, spiritual guidance, and opportunities for skill development.

3. Follow-Up and Discipleship

GPA formed small discipleship groups for new believers, fostering spiritual learning, accountability, and community building. These groups became a cornerstone of GPA's commitment to creating Christ-centered leaders.

III. FUTURE PLANS

1. Youth Outreach Expansion

- Increase the reach of sports evangelism to more communities, creating broader opportunities to engage and inspire the youth.
- Collaborate with additional churches to hold joint youth evangelism and discipleship programs.

2. Discipleship Training

- Develop a comprehensive discipleship curriculum tailored for youth.
- Train volunteers to lead discipleship groups, ensuring the sustainability of spiritual growth initiatives.

3. Community Development Programs

- Introduce workshops to equip young people with practical skills for self-reliance.
- Expand initiatives that combine spiritual and economic empowerment for vulnerable communities.

IV. FINANCIAL REPORT

In 2019, GPA effectively utilized **\$25,000** to implement its programs. The funds were allocated as follows:
